Local groups get post-holiday gifts from Sen. Toy

Lansing – Sen. Laura Toy (R-Livonia) and her staff recently spread some post-holiday cheer to three sites in southeast Michigan.

Sen. Toy collected more than 450 books and 78 coats, along with school supplies, hats, gloves, and other winter gear at her Holiday Charitable Gathering. The donations were distributed to Siena Literacy Program, Lincoln Elementary School, and Spectrum Health Services.

“I was overwhelmed by the generosity of all who attended with their contributions. This was truly a special event,” Toy said. “I’m pleased to be able to pass these donations on to such worthy groups. I know they will be put to good use.”
